

Service Users and Carers Contribute to the recruitment of new staff employed at the Trust

The Trust has several opportunities for service users and carers to be involved in sitting on interview panels when they are recruiting new staff. As a service user or carer, you are an expert by experience in your role and you can provide valuable input at Trust interview panels.

If you are interested in being involved, you will need to attend a half-day training course at the Mental Health Trust before you can sit on the panels. The course aims to equip you with the skills that you need to act as a specialist panel member who can provide a unique service user or carer perspective when recruiting staff.

Next training course
Wednesday the 15th of February
1 – 5 PM
Recovery College (Building 28)
Springfield Hospital
