Project**

## **Activity Enabler (Evenings – Term Time) - Role Details**

### **Background:**

Kingston Carers' Network is a charity that supports carers in the Royal Borough of Kingston upon Thames. A carer is someone who is providing support, unpaid, to a friend or family member who has a physical illness, disability, ill mental health or substance misuse issue. Our Young Carers' Project supports carers who are between the ages of 5 – 18.

### **How you can help:**

You will support the Young Carer Support Workers at our 'drop-ins' for young carers. The drop-ins are an opportunity for young carers to meet together, take part in fun activities and seek advice from our Support Workers.

### **Possible tasks include:**

- Joining in activities
- Encouraging the young people to participate
- Food preparation
- Others – if you have a skill that you think would be beneficial (i.e. sports, craft etc.), let us know!

### **We ask that you would:**

- Lend a hand at the Young Carers' Drop-In
- Carry out Level 1 Child Protection Training (online)
- Attend training events (about once every six months)
- Attend review meetings with a member of the Young Carers' Team
- Undergo an Enhanced DBS check

### **Time Commitment:**

We currently run groups on a Monday (after school) and Wednesday (evening)

- Under 12s – Mondays - (term time) 3:30pm–5:45pm
- Over 12s – Every Wednesday (term time) 6:00pm – 8:15pm

**Location:**

- Mondays - Kingsnympton Youth Centre, Kingston Hill, KT2 7RR
- Wednesdays – The Basement, Queen Elizabeth Road, KT2 6RJ

**Benefits:**

- The opportunity to help our young carers to build their confidence and achieve their goals
- Gain experience working with young people
- Free training on child protection
- DBS check
- Ongoing support from the YC team and Volunteer Coordinator

**Expenditure:**

- Your travel expenses will be reimbursed.

**The qualities and attributes we are looking for:**

No formal qualifications are needed, but we will look for some key skills and personal qualities.

**A great Activity Enabler will be:**

- Reliable
- Committed
- Patient
- Non-discriminatory
- A good communicator/listener

If you would be willing to drive a group of young carers to and from the drop-in this would be extremely helpful, but is not necessary.

**Training will be provided on:**

- Child Protection
- Food hygiene (if required)

Due to the nature of the role, all volunteers must undergo an enhanced DBS check.
