

# KINGSTON CARERS' NETWORK

### Background:

Kingston Carers' Network is a charity that supports carers in the Royal Borough of Kingston upon Thames. A carer is someone who is providing support, unpaid, to a friend or family member who has a physical illness, disability, ill mental health or substance misuse issue. Our Young Carers' Project supports carers who are between the ages of 5-18.

## How you can help:

You will support the Young Carer Support Workers at our 'drop-ins' for young carers over the age of 12. The drop-ins are an opportunity for young carers to meet together, take part in fun activities and seek advice from our Support Workers.

#### Possible tasks include:

- · Joining in activities
- Encouraging the young people to participate
- Food preparation
- Others if you have a skill that you think would be beneficial (i.e. sports, craft etc.), let us know!

## We ask that you would:

- Lend a hand at the Young Carers' Drop-In
- Carry out Level 1 Child Protection Training (online)
- Attend training events (about once every six months)
- Attend review meetings with a member of the Young Carers' Team
- Undergo an Enhanced DBS check

#### **Time Commitment:**

The drop-ins take place every Wednesday (term time), 6:00pm – 8:15pm. We would ask that you volunteer at least once a month.

#### Location:

Searchlight Youth Centre, Kingston Rd, New Malden KT3 3RX

#### **Benefits:**

- The opportunity to help our young carers to build their confidence and achieve their goals
- Gain experience working with young people
- Free training on child protection
- DBS check
- Ongoing support from the YC team and Volunteer Coordinator

## **Expenditure:**

Your travel expenses will be reimbursed.

## The qualities and attributes we are looking for:

No formal qualifications are needed, but we will look for some key skills and personal qualities.

## A great Activity Enabler will be:

- Reliable
- Committed
- Patient
- Non-discriminatory
- A good communicator/listener

If you would be willing to drive a group of young carers to and from the drop-in this would be extremely helpful, but is not necessary.

#### Training will be provided on:

- Child Protection
- Food hygiene (if required)

Due to the nature of the role, all volunteers must undergo an enhanced DBS check.

## Feel inspired?

If you would like to become an Activity Enabler, or would like to find out more, contact **Lyndsey** at **volunteering@kingstoncarers.org.uk** or **0203 375 8226.**
